## 10 Facts About Miami:

1. Cleanest air and drinking water in U.S.
2. Only city bordered by two National Parks: Everglades & Biscayne Bay.
3. Ranks first in unemployment.
4. Ranks fourth in population density behind New York, San Francisco, and Chicago.
5. Ranks third in city skylines behind New York and Chicago.
6. No "single digit" or "triple digit" temperature ever recorded. Coldest day was 30° f (0° c). Warmest day was 98° f (37° c).
7. Only one snowfall on Jan 20, 1977.
8. Only public beach with topless sunbathing in U.S.
9. 24-hour liquor licenses in downtown.
10. Fifteen feet below ground lies a natural source of water, the Biscayne Aquifer. Reaching water at this depth prevents Miami from having a subway train.
